## Education

2019  
BTech

KERALA TECHNOLOGICAL  
UNIVERSITY

2015  
HSC

GOVT.HIGHER SECONDARY  
SCHOOL,PUNALUR

## Expertise

- HTML
- CSS
- JAVASCRIPT
- MACHINE LEARNING
- BOOTSTRAP
- JAVA OOPS
- C Programming

## Experience

○ 2022

Brototype - Trivandrum

### Intern as Web developer

During my internship at Brototype, I taught myself multiple programming languages and technologies, demonstrating my ability to learn and adapt to new challenges independently.

Weekly code reviews and feedback sessions significantly strengthened my technical skills, allowing me to develop a strong understanding of best practices and gain valuable experience working with a team

○ 2021-2022

Cadd Centre - Kottarakkara

### Programming Language Trainer

In this Company I gained some knowledge about programming languages like java,python,html,CSS,bootstarp etc.And also my communication skills are improved from this comapny.I learned the teaching skill also here

○ 2019 - 2020

Network systems - Trivandrum

### Intern as Machine learning

I learned Machine learning using python from this company.It is a internship.During this time covid pandemic arrived and the online sessions are attend.

## DECLARATION

I hereby declare that all the information furnished above are true and correct to the best of my knowledge.
